“ My sincerest condolences to the Johnsons during this difficult time. I always enjoyed hanging out with Shane and Kim while we were in high school and during youth group at NLBC. The Johnsons were very kind and caring and I always had a good time with the family. May God grant you comfort in your fond memories of Kim. You all will be in my prayers.

“ Kym and I became friends when I moved back to Georgia from Florida in the first grade and remained friends ever since. I attended her wedding and seen her first born when he came home from the hospital. We talked alot when we seen each other out and about. I remember going to her slumber party, we had a blast. I will miss her so much. Saying prayers for her family and friends at this time.
