“ *Niki and I spent a lot of time together and were close. She was so special and loved her kids more than life itself! All she ever talked about was those two beautiful kids of hers and her future with her fiancé! She finally had what she needed and wanted in life which was true love. She was a great best friend and I love her so much. She will definitely be missed by so many!*

“ *I'm so very sorry to hear about Nikki's passing. My Mom just told me. My Sister and Nikki were very close growing up. She would spend the night over at our house a lot. And, My Husband and I would always talk to Nikki at Bi-Lo when she worked there many years ago. She will be greatly missed. Prayers for her family and all of us that are left behind. 🙏*
