“ *Our hearts and prayers go out to the Bell family. Our children went to school together and our family prayed together at Boynton Baptist many years ago. You have and always will be part of our family. Jamie has fun memories of Kyle and their times at camp and school. God will hold you tight in his love and watch over you in the days ahead. You raised a fine young man and he will be greatly missed. We love you Portia, Robin, Jamie & Carla*

And had a great sense of humor. It has been many many years since I have seen you but some people you just never forget and you are one of them. I am thankful to have known such an amazing person. Now you are resting in the arms of God.*

“ Kyle was such a precious soul. I knew him when he was a little boy. Such a sweet child. Also when my husband Frank had cancer and things were so tough, he would send me messages. He would tell me to hang on God was in control. I hadn't seen him in years but he thought of me. He was fighting the battle himself but he thought of others. He will be missed. To all the family I offer my deepest Christian sympathy.

“ I met Kyle only once and I instantly liked him. When my husband was diagnosed with lung cancer I called to talk to Dawn and ended up having a long conversation with Kyle. He talked to me about what Tony would appreciate in my care for him...how much he needed, appreciated and loved Dawn and how wonderful she was with him. He helped me so much that day. He also talked about the Lord. I will miss you Kyle Bell. You have been a wonderful husband to my Dawn. She loves you so much. Please say hello to my Tony for me. Love you!
