“ *Kylie is my daughter & she was taken too soon but she fought for a life here. She was so strong & stubborn. She tried so hard to get through this. Her body just couldn't handle it. I'm thankful for every second I had with her. She is the most special person I've ever had the pleasure of knowing & I'm so thankful she was my daughter. She made me & everyone else so proud. She can finally rest now that the pain is gone.* ”
