“ I am so sorry to learn of Larry's passing. My mother and his mother were sisters. We had lost touch of all of his family since his mother passed away a few years ago. Please have Linda or Roberta get in touch with someone in their mother's family in Dunlap. We speak of them frequently. We were planning to come to the funeral but for health reasons thought it best to stay in out of the rain.

“ It's so hard to know what to say when someone leaves us, and I know that mere words do little to offer comfort in a difficult time. My prayer for Larry's family and friends is that God's great Hand of comfort will surround each of you during this time. I pray that God holds everyone that loves Larry closely and that His peace which surpasses all understanding will cover each of you now and in the days to come.
