“ *It is really hard to share just a memory of my dad, there's so many to pick just one. He's always had a smile on his face, he never met a stranger because he was so outgoing. He loved my mother as if she was the only person on the planet. He always had funny sayings that he would make up himself. He was the best dad anyone could ask for. I'll love and miss him so badly until the end of time. I'm not saying goodbye. Instead, I choose to say until I see you again.*

“ Larry was one of the sweetest, kindest and funniest guys I've ever met. He had a heart of gold and no matter where he was or what he was doing, it was with a smile. I've known Larry for over 20 years and he always met me with a big grin and hug. I know he is resting now, free from pain and my prayer is that God will be with Teresa, Dwayne and all the family during this hard time and bless them with peace and comfort. RIP Larry and Godspeed, my friend.
