“ *Rest In Peace my friend. You were a great person & a damn good friend. You've helped me when no one else did. You gave me a home when no one else did. I know we didn't see each other that much in the past couple of years but that doesn't mean you weren't on my mind. I thought of you often and hoped you were doing okay! I just can't believe your really gone. I feel for Alexis & your family... Love you my friend*❤️
