“ Larry, Carolyn, and Brooke
My heart filled sympathy to each of you in the loss of Matt. Although I did not know Matt, if he was like his father, he was a kind, thoughtful person.
Larry, Carolyn, remember all the good times and someday you will see Matt again. May God bless you and the family.

“ Dear Mooney Family, I am so sorry for your loss. Matt and Catie was one of the first neighbors I had in Chattanooga. Dame was just a baby then. We had some good times. I also worked with Matt and Brandy at HoneyBaked Ham. I remember his smile. Matt was always willing to help with anything we needed and was always kind to us. He will be missed. May God's love and peace comfort you today.

We hadn't talked in years but were starting to get back in touch. Matt was a good man from the times that we did spend together. He was always there to give a hug and joke to cheer someone up and never judged a book by its cover. You will be sincerely missed my friend.

“ Matt was a special friend of all members of the Hancock family! We spent time with us in our home in his teenage years. Our son, Miles, and Matt were fierce karate competitors but they were the very best of friends. Either one of them would have given up anything for the other one! Matt came over at the first of the New Year and spent some great quality time with Miles. They relived all the karate tournaments and the great times at Pensacola Beach, Florida! It was a delight to have known this young man and he gave so much of himself to each and every person he knew. Our family will never forget him or that wonderful mischievous smile and those gorgeous girl magnet dimples! With all the respect and love we can gather:

My deepest sympathies to the family. Having lost a son myself, I can empathize with the shock and disbelief. I pray that your family will find solace in the fact that he was loved by many.
