“ *Dad, you are/were an awesome father, beloved husband to mom. I have so many memories of you especially the ones where you would do your best to play with me when I was just a child. You threw baseballs to me and footballs. Also at nights you would lay in the living room floor and we would play wrestle. Those memories will always stick with me forever. I love you and miss you dearly and can't wait till I see you soon.*
Love you very much,
Greg

“ *I was so proud to know Larry as my stepbrother and call him Big Bro. He was a true hero to me. He was in a wheelchair when I met him over 30 years ago but he stood tall in my eyes, always cheerful with a smile on his face and a laugh in his voice he never complained about his illness or let it stand in his way. I have memories of him driving his awesome black Cutlass and putting Frozen Yogurt or ice cream, I can't remember which, in a Slim Fast shake, that recipe didn't help me lose weight, lol, but it did taste better.*
Larry was an inspiration to me when I became sick, if you asked him how he was feeling he'd say "can't complain" with a cheerful voice. Larry was very blessed to have a beautiful, loving, and devoted wife in Joyce, she too always had a smile. God Bless you Joyce.
Your flying free now Big Bro.

Love Always your Lit'l Sis,
Debby And Paul Oliver
