“ My big brother we have been through the good and the bad ever since we were born. I remember when you got your first job. Then you got your new car. And wow did we have fun. We went to concerts. And had so much fun. We always had each others back. Love you big brother R.I.P. I am sure we will meet again.

“ It's hard not getting my nightly call from him about our games, then it lead into anything else we wanted to talk about. Before you know it we was on the phone 30+ mins a night lol. I will miss you dearly big Larry.. it's gonna be hard not seeing or talking to you after seeing or talking to u about everyday for the last 21 years
