“ To think of Vicki is to think of the word LOVE. I have tears just trying to think and write what to say about her beautiful heart. ❤️ She has loved my daughter and grandsons, and me too, and my husband, with such sweetness and kindness and gentleness and strength. I can only call it BEAUTY. I have missed seeing her since I last saw her several months ago. Her love will always stay with everyone she touched because she loved so sincerely. Thank you, Vicki, for including me, and our families, as part of your family and in your heart. When Emily married Todd, you took us all in as part of your family. Thank you! ❤️😊 I love you and I am glad to have confidence that we will get to see you and hug you again. I will think of you when I see yellow and flowers. 😊❤️🌸 It is a beautiful thing to hear from the mouths and hearts of Emily and Noah and Owen about how much they love Granny, and how much she loves them. Her love did not stop when she left us here. She continues to love us all, and we will always keep loving her. ❤️❤️❤️❤️❤️
