“ I had the highest respect for Lawrence he was always a stand up guy to me we always had respect for each other, as a kid and a grown up I always looked up to him. The last time I talked to him we spent about two hours together talking about a lot of things that had happened and the way we felt about each other. I was going to take him fishing this spring and was looking forward to our time together . I will always remembered him as a great person, a friend and part of my family. You be missed. Thank's for making me a better person.
