“ My thoughts and prayers are for Larry's family and friends. Larry was my younger brother. I was one of the six Verges children that was adopted before Larry was born and I never had the opportunity to meet him. I am so sorry for my loss and yours.

“ My prayers are with Larry's wife, children and grandchildren and his sister Lisa whom Larry grew up with. Larry was child #10 out of 11 children born to Herb and Laura Verges. I was child #6 and was 8 when Larry was born, but I was one of the 6 children that were adopted out by the biological parents - so we did not have the opportunity to grow up as brother and sister. It was this past fall that I first started chatting with Larry on Facebook and learned a little about him. I wish you peace Larry and rest. You will be missed by those that knew you and loved you.

“ 60 years later I found out I had brothers and sisters and Larry was one of them. I never knew Larry because I was not in this family at the time he was born, yet he still was a brother and I do send my prayers to his family and sister Lisa who grew up and knew Larry. Brother now your taking the next trip in life that has no pain or body hurts and will be with our family that has gone before us and I will at one time meet you their RIP
