“ *I will miss you Dad. Although our time together was short, I really enjoyed spending it with you. You were so strong and fought to the very end. I only hope I inherit your strength and love for life. Till we meet again.....*

*May you rest in peace, Lebron. It is hard to lose a loved one, but it can be even harder to watch them going through the process of dying. You fought long and hard, your fight is over, no more pain or suffering. For that we can be thankful. Your daughter, Shannon, is a beautiful young woman, I'm sure you were very proud of her, and your memory will always live in her heart and mind.*
