“ I have known you nearly all my life. We have had our ups and downs but I really don't know what we would of done without you. You were one of a kind. You loved your wrestling even tho u thought a steel chair was the answer for the bad guys attitude (lol). And you could never get enough puzzle books or game shows. You was always you. People either accepted you for you or not at all. You never put on a show. You were set in your ways and believe me it was impossible to change your mind. You are loved and you are greatly missed. Rest in peace Bud. You are now free from all your pain.

“ Dad I know I never told you enough but I do love you. I hate that you're no longer here with us but I'm glad that your suffering has ended. I'm sure you're having fun with Mom, granddad, granny, papaw, uncle Bill and uncle Bobby. I know how much you've missed all of them over the years. Thank you for everything you ever done for all of us. We will always love you and will never forget you. Rest In Peace Dad, I'll see you on the other side.
