“ I will NEVER forget one of the first times we went to visit Mom &Scarlett. I had went to the bathroom and when i came out there coming out of another door was this amazing handsome gentleman!! (scared the crap out of me) but soon we were family!! I am so so happy we got to spend the amazing good days he was able to still put his suit onget in his car and drive himself to the Ol South resturant to get breakfast. Then on wed he would wait on the bus to go to church. He fought like crazy . You will be missed!!
