Sherry and Darren.my heart is with both of all at this time.my favorite memory of Jeannette was when we were young.and she and I slipped off and took bronnie's bicycle and rode always the way down James street to merge and Jesse Wallin's house just to get a dill pickle.marge always had this huge jar of big pickles.well we got our pickle.but when we got back to our house aunt Dorothy and my mom whom had been searching everywhere for us were waiting on us.(Merge had called to let them know we were on our way home.) we got a good whipping for that one.but it was worth it.cause we got our dill pickle.
