“ We are deeply saddened to hear about Leonard's death. I just talked to him a few weeks ago at the funeral home when our friend Danny Williams died. I was the Chaplain on call when Leonard's Dad died. Had the privilege of seeing him around in the last few years and talked with him. This is a loss to the family and all his friends. We are praying for all of you and will continue to Pray. May God bless you.

“*I remember Grandmother telling me about the tomatoes or beans that Leonard and Nita would bring to her. In her last years, she was always pleased when he came to visit her. Even though he was busy with his own family, he always found time to either drop by or give her a call to see how she was doing. He was a man who truly loved his family. His family is in my prayers.*

“ Anita, Josh, Lucinda and families,
My prayers are with you as you go through this very sad and difficult
time. You are all very special to me. May our Lord bless you with
strength and all of the loving memories of Leonard. He was a good
man helping many in his life time that was cut way too short. He
also kept many laughing with his sense of humor. I have many,
many good memories, especially of the early times with Catoosa
County EAS, Roger Bowman and the old crew we had back then.
Time passes way too fast. I love you.
