“ *Leroy was my Uncle. I'm sad that I'll never see him again on this earth, but all the while I'm rejoicing more because he's no longer suffering. We know that to be absent from the body is to be present with The Lord. Death, where is your sting, where is your victory? He was a great man. My thoughts and prayers are with you and the family, Marty.*

“ Leroy you called me and we talked, laughed, recalled our families Smokey Mtns camping trips about us visiting. I did tell you when I got better I would come see you, but God needed you before we fulfilled that plan. I'll always remember our talks and will miss them. Just rest tell family hi I love them and we will finish our talks when I get there. Love you and prayers for ones grieving for your departure on those angel wings!

“ I never saw Leroy without a smile on his face and a twinkle in his eye...Those beautiful blue eyes!! I gave him a lot of "advice" over the years...knowing he would do it His way...but wanting him to follow my "suggestions" so I could keep him around for a long time. He was the type of friend you Wanted to be around because that's where the good times would be. I was never concerned with his eternal life because I knew he was walking with The Master!!I loved you from the moment we met and I will see you again Leroy...and I know you will be there!!
