“ When I was little, I would stay with my uncle bud and aunt Barbara. I'll never forget them making me and my cousin maleika peel carrots and snap our own peas. They both are truly loved and missed so much!

“ *I used to visit Uncle Bud and Aunt Barbara a lot when I was a kid. I had so much fun with the dune buggy, riding in the back of the truck, playing out back with the chickens and rabbits. He was my Little League coach and loved working with us kids. He was a good hardworking man who lived his family.*

“ *I remember as a young girl going and visiting uncle Bud and aunt Barb. Running the streets with my cousins and all the rabbits in the backyard in cages.*
