“ It's hard to find the words..... You were such an inspiration to anyone that was blessed enough to "ever" meet you.....even more of a blessing to have you as a friend. So strong but yet so fragile.....I know we will meet again one day and sit n talk about the things we use to sit n talk about :) I remember talking about the Lord and how much He has blessed us and how so many people just don't open up their eyes to see.....and our girls.....Lordy....our girls.....we had some stuff to talk about didn't we? :) lol..... you touched my life in ways that you never knew.....the strength and willpower you had.....to keep on keepin on.....down on our knees we prayed....separately, but together for our loved ones and the strength to understand and help in any way we could. Alike in so many ways, but my strength cannot compare..... I love you Leslie and your face is forever etched in my mind.... Smiling through the tears and rejoicing through the pain. Always helping and giving, even when you really had nothing left to give, you found a way.....Can't wait to see you again some day...till then....Rest in Peace My Dear Friend.....I Love You!
