“ Karen,
I did not know your Dad, but always enjoyed it so much when I would run into you somewhere, and hear how much he enjoyed the dog (Odie, not sure if I am remembering the right name?) that you had gotten from us for him. I am so glad he had a lot of good years with his little buddy.
You and your entire family will be in our thoughts and prayers as you all go through the loss of your Dad. And what a consolation to know you will see him again!
