“ I met Letha at Gospel Tabernacle about 2005. My first impression of her was that she was a very happy woman. As I got to know Letha she became a blessing to me in that she let God's love show through her. When she moved into her little apartment a little after that, she requested I get her a tea pot and I did. She was always smiling and will be a shining addition to heaven. Miss her.

“ To the family of Ms Mullis so sorry for your loss. Growing up on Wilder St in Chickamauga we lived next door to the family. At supper time Ms Mullis would come out on the porch to call Yvonne, Peggy, Brenda and Deborah. Found memories. Sorry I am unable to visit today, virus you do not want. Blessing to all. “ I grew up on Wilder Street in Chickamauga next door to The Mullis Family. My Memories of Mrs. Mullis was she was always singing. Especially while she was cooking. Debra and I were the closest in age and I was at her house sometimes more than my own. I was always welcomed in her home. I know She is singing in the heavenly choir with all of God's Angels...
To the Girls, I am so sorry for the loss of your Mother. Dorothy and I went thru this in 2004 with our Mama. I bet our Moms are talking right now, but there won't be a fence to talk over...
Sorry I am unable to come to the funeral home. I pulled my Sciatica Nerve 3 weeks ago in my back, so I am not getting around too much. But, I will be praying for the Family. May God give you the strength you need at this time. And the days ahead.
