“ Sister Lillian was a precious person. She and Bro. Frank have been a blessing over the years. She was always with Bro Frank during his ministry until the Lord called him home several years ago. Bro. Frank was used by God to encourage me to begin teaching a youth class many years ago, from which I became a preacher. These precious people will always have a place in my heart. My thoughts and prayers are with her family, ministry, and many friends. James Helton, Rossville, Ga.
