“ Linda, I checked on all of you from time to time, but I never wanted to upset anyone by telling you that you and your brothers had a half sister. I am crushed that you are now gone. Your father and I met a couple of times. He said he would gladly take me home to introduce me to all of you, but he was still married, even though after he and your mom divorced, he never did. That's ok because I did not want any of you to be upset. I guess it really doesn't matter anymore. You probably have more than me out there somewhere. lol I don't know why I am so upset about losing someone I never had. I hope to meet you in the resurrection someday.

“ Linda
You were always good to me.
A fun and loving person.
I enjoyed your FB post.
Cuz you sure had a rough time in life but always seem to have a
good and thankful attitude in spite of it all.
You will be missed by many friends and family alike.
It's so hard to believe you're gone now.
Say high to everyone there in heaven.
Thanks for always being good to me sweet Linda.

“ Linda was as very unique and beautiful lady. I think she had a
bigger shoe fetish than me. 😊. She was fun to work with, and I have
much respect for her love for her mom(Ellie). She must have gotten
her sense of humor from Ellie, because they both made me laugh
and left me with a smile. You will be missed by many. Rest in peace,
sweet Linda! Hugs to all the family and friends. Blessings of
comfort, during this time.
