“ Everyone needed a Winky in their life, she was a true blessing to all that knew her. I worked with Wink for many years at Fairyland Elementary school and would often kid around with her about becoming my Memaw. She always told me yes she would be, I looked to her for advise about different things in life, from cooking to me becoming a mother! She was always there to listen to me no matter the situation. She was not just a coworker to me she became my best friend and I will truly miss her.

“ This breaks my heart to see this. Winky was a wonderful lady with a beautiful heart and soul. I remember her mostly from when she worked at Eddy's Quick Stop. There wasn't a day she didn't have that big smile on her face. She always was so kind and made you feel welcome. We have lost a kind and sweet and caring soul that was such an angel to everyone here in Earth but God called her home to gain her wings and become an Angel to always watch over us. My deepest sympathy goes out to her family and friend's but mostly to her children because it's so hard when you lose your mother. All of you are in my thoughts and prayers. I'm so sorry for your loss. It's sad when we lose someone that was such a wonderful person because we need more people like that here on earth. She will always be remembered and deeply missed. RIP Winky!❤️💔🙏
