“ *She was a great judge of people and never had a problem telling you just how it was. About 21 years ago when me and Cindy where just dating she was the first person to pull me aside and tell me " If you let this get away you're crazy Tim!" Thanks Linda best advice I ever got.*

“ My Precious Aunt Linda Jo will be dearly missed by all of us.... We seen her at our Varnes family reunion on Saturday July 1st 2017 and she looked so happy to be able to see family that we all hadnt seen in a while. Linda was full of life and laughter she could always keep you on your toes and keep you in line if she had too!!!! She was always outspoken and out going there was never a dull moment when she was around. I can remember she had this one certain look she would give us or any of us if she thought or knew we was doing something to get into trouble..... Lol..... But Aunt Linda i want you to know we all love and miss you very much..... Now you are up there with all the angels and with Our Precious Granny (Thelma) ... Until we meet again on the crystal shore!!!!!!!!!!
