I got so close with Aunt Linda since she got sick and it makes it hurt so much that there is no words I will always hold the memories I have of her teaching me and showing me how to make banana pudding and Oreo cookie cake those memories will always be in my heart. I will hold her memory in my heart forever. It was so heartbreaking to come to Mom's (Pam) and not seeing her or talking to her about cooking and birds and plants. She was such a blessing. She always asked me how my granddaughter was and everything she just had a heart of gold. The Monday I went home before she had the last stroke when I hugged her to tell her bye she hugged me extra tight and told me she loved me I lovedmy Aunt Linda and miss her but am thankful she is not suffering anymore 🥹🥹🥹❤️❤️
