I worked with Faye at HMC and loved her dearly! She was always there to lend an ear and hand out hugs when having a challenging day! I miss our chats! She loved her patients and made sure they were taken care of! She knew, if there was ever something she needed for one of her patients, she just had to make one phone call to that storeroom and I'd have it there in a timely manner! Faye had a heart of gold and everybody that knew her, knew how much she loved her girls! Oh, how her face would light up and just smile when she would speak about either one of them...she was so proud of her girls! ❤️ Tammy and LaSonya, God bless you both and your families...I know what a huge loss you have endured! Sending you my love and prayers! 🌹

“ I remember working with Faye at Hutcheson. We stayed in touch. I sure hate to hear we have lost her. She had a great sense of humor and always had an opinion. I enjoyed the occasional banter with her. She will be missed.
