“ *Best friends always and forever. Close as kids, raised our kids and grandkids together. No one seen one without the other. Distance was never an issue for us, no ,we would just move where ever the other lived. As most best friends ,we had our many ups and downs. But one thing always remand the samewe always loved each other ,unconditionlly. I Love you Linda Faye and there will never be anyone that will replace what we shared. We will meet again and our friendship will flourish once again. Rest in peace my Best Friend. I will always love you !*
