“ *Linda was a beautiful soul that made the world a better place. Her laughter, love and loyalty was a rare find on this earth ! Once she was your friend it was a lifetime friendship as reflected by the friendship she and my mother shared. She made the world a better place & now the heavens is surely more beautiful because she is there ! My prayers and condolences for the family and especially for you Jackie & Jack.*

“ My mom and Linda have been friends for almost 50 years. She was there when I was born. They said if I had been a girl my name would have been Linda, but since I wasn't my middle name is Lynn which I also passed on to my daughter. Miss Linda was such a sweet lady. She always opened her home to us when we came to visit and treated us like family. She will be dearly missed.
