“ *I will miss Linda I have not seen her in a while and did not know where she was living until recently and I am sad I had not went to visit and I will not be able to make it to the funeral I have to work so I just want the family to know I will be thinking of all of you and especially Jerry God will help you through this and know she will be another angel above watching over us. Just remember she is always with us in spirit and will always be in our hearts.*
