“ I worked with Linda for many years on Pcu. She was an extremely good nurse. She was so short. I used to tease her about going by her house and seeing a mop going back and forth across the top of her car. She was washing it and thats the only way she could clean the top. Couldn't even see her on yhe other side. She told me once she sat on a thick book to see over the steering wheel. She was a treasure. R.I.P. Linda.

“ Linda & I were great friends @ our Christian boarding school in Kentucky & graduated in 1960. She was everybody's friend with a big smile & lots of chuckles. She cheered us up in choir & seemed to think everyone was wonderful. What a great soprano. She hadn't changed when she & Charles came to Lexington for our 25th class reunion. We were all thrilled to see our cute little red haired "Rambler", nicknamed in honor of the little Nash Rambler automobile. She will always be dear to my heart & I will be delighted to be with her again very soon in the presence of friends, family, & Jesus Himself. That will be the best Mt Carmel reunion ever! Until then, our hearts will go on singing.

“ I spent many fun hours with this precious soul as a child. I probably wore my welcome out at their house, but her mother was gracious! Loved and still love the memory of this very special family.
