“ Cheri and Caren, please know that you and all of your families are in my prayers. I feel so privileged that God allowed me to cross paths with your mom a few years ago! We had so much fun together! I was so glad to keep in touch with her even after she moved away from Winnsboro. She was such a special person to me! We became fast friends with a bond unbreakable by distance and unchangeable by time.
My heart is so heavy for y'all, as I know how much you loved your mom and I know how much she loved her girls. Thank y'all for sharing her with me, and allowing me to get to know y'all, as well. I loved Gale, and I love all of you. May God be extra near y'all now and in the days to come. Prayers abound for you!

“ Going to St Augustine Beach with Gale was the day we really connected. It was just the 2 of us with no distractions & I found we had a lot more in common than I realized. We had a great lunch at Aunt Kate's. She was an angel to my entire family when she pitched in & helped with my aging Dad. Kindness & caring came naturally to her. She will forever remain in my heart remembering all the selfless acts of LOVE she displayed over & over. I won't say Goodbye because I will see her again. Wanda Schiavone
