“ It's hard to believe that such a sweet soul has left us. Lisa will be missed more than she will ever know. It has been such a blessing to have been able to call her my friend for the past 18 years. Lisa always listened to every detail of your conversation and never forgot anything you told her. She made you feel so special. I know we will see each other again.... until then my friend.

In the forty years of our friendship, we've spent many hours on the phone, laughed together, cried together, prayed together, went swimming, went to the Auditorium to gospel singings and to Cracker Barrel to talk over what and who we had just seen. I loved every minute of our friendship. Rest In Peace my sweet friend! The world will not be the same without you. Love Forever, Michelle
