“ *Lisa we've been friends forever it seems. You always brought a smile to our faces and even when you didn't feel like it you were always a friend. I'm going to miss you especially your laugh and a sense of humor we both shared. You always got my jokes. Ashleigh & Robert always loved their aunt LiLi too. I'll never forget when you tripped off my steps on Henderson Ave and turned a complete flip in the yard and didn't spill a drop!!! I love you dear friend and we will meet again. XOX*
