“ *Ken was the most creative, hard working man I have ever known. He was a fun person to be around. I first met him as my employer in the 80's, such a smart man. He could have created an entire city on a deserted island. My parents & my sons loved him dearly. We were all sadened by his passing. My sincere sympathy to his sweet wife Faye.*

“ *To the families members of Kenny Gervais,*

We, the daughters and sons of your Uncle Paul and Aunt Pat Gervais, of Worcester, Mass. wish to extend our deepest sympathies.

My father was fond of Kenny and he was very good to all of us when we visited Uncle Al and Aunt Claire back in the 70's. We have many good memories of our trip to California and meeting all of our Gervais cousins.

You are in our thoughts and prayers.

Sincerely,

Pat Gervais, Suzanne Gervais Burke, Denise Gervais O'Connell, Paul M, Michael, Mark, Stephen, and Peter.

“ Ken,
Your sense of humor and your ability to believe in me during my darkest hours, was truly appreciated. Your support helped me find my right path and become a better man, father and husband that I am today.
Character wise, you were a strong-willed man, a hard worker, a loyal friend to many. You were one of the funniest men I knew growing up and a wonderful mentor. Speaking as one of those who you loved and that loved you back, you will be sadly missed but never forgotten.
Spread your wings and soar high and say hello from us to all the family members who greeted you with open arms to hear a good joke.
Sending all our love from your nephew & niece,
Mike & Kathy.

“ I have many fond memories of my Uncle Ken. The thing I remember the most is his great laugh and the sparkle of his blue eyes. He could always make us laugh and his laugh was contagious. My husband Scott has many funny stories and fond memories of building Janine's bar last year in Nashville. We love you and we miss you. Love and prayers to Faye and all the family.

“ From Norm Gervais: Our family consisted of 6 boys and 1 girl. Ken was number 3. I being the oldest had the task of keeping my brothers in line, a tough job, but somehow we managed to get it done. Our show biz experience as The 4 G's seemed to bind us together for life. Sadly the 4 G's are now one. Ken and I. Grew closer after I retired as we had time to visit and communicate. I cherish every memory of these times and can only say rest in peace my brother until the day the 4 G's are back together and we can laugh and joke forever

“ Dear Faye & Gervais Family:

So sorry, saddened of passing of our dear, close friend and pal, Ken...Such a goodly man, whom we'll surely miss, but our good memories, fun times, we'll forever cherish!

May God's "perfect peace" abide with us all during this time, and the days ahead, and may Ken's spirit abide in God's sheltering, loving arms, until we'll all be reunited again at our Lord's coming.

Rest in peace, dear ole pal (is my prayer)! Your physical, mental, struggles in this life, are now finished...You "ran your race well", and am certain our Lord is "well-pleased"...

Am honored, respectful, thankful God let our paths in life cross, as can honestly say, your life was a witness to me personally, as to how you persevered through numerous physical, financial, spritual issues, when most of us would not have strived on, yet you did many, many times, regardless of the set-backs life handed you... You, just kept on ticking, kept going forward, with a smile on your face and a chuckle of laughter, stating "Aw it ain't nothing bad"...

Such a wonderful, cheerful attitude, giving, caring spirit you had for everyone! To me, those traits you demonstrated, were not earthly, but Godly and Heavenly!

Cannot thank you enough Ken, for being one of my truest, dearest friends, with a heart of love, compassion and caring like very few I've been blessed to know...

Simpy put, you were, are and forever will remain dear to our hearts and memories, of we whom truly were blessed to have you as a true, honest-to-God, friend and pal!

Rest now, dear brother, your labors are finished...

Dear Lord, help us all that knew this kind, goodly man, have just a small portion of what you gifted him with, and may we seek to help others with what we learned from him...

Lastly, may You, dear Lord, receive honor and the glory for it all...Ok? :-) OK!!!

Amen...

Ken, your friend always,
