I am so sorry for your loss and I am still in such shock! He was so young. I remember him being such a gentle and kind man. You are my cousin and I love you and apologize for the past words we had. But you are in our hearts and please know we love you and McKenna. I am here if there is something I can help you with. Love you.....your cousin Barb

“ My Big Brother,

I will always miss you and you have left this world way to early. I still can not believe that you are gone. We have had 42 years together and we had our ups and downs like all brother and sisters do. I will always remember the times we had growing up and all the funny things we use to do to each other. I will watch out over your family until Marie is strong enough to stand on her own again. I know her pain and it is more than anyone should ever have to take. I will also watch over Mom and Dad until they join you. I hope you are hanging out with Tony and all of grandparents. TJ said you and Tony can argue over fishing lures or the right bait. :) I will always love you and care you in my heart and I will see you again when I come to join ya'll.

*Your little sister,
Sandy*
