“ *My Deepest Sympathy, I am so sorry for your loss. I remember coming to the family home when we were kids not even a teenager yet . that is Lois and I were not teenagers. Your Mom and dad took my mother to the hospital when my baby sister was born. My mother was TOOTSIE, Jerrie was a good friend to her. Lois was so sweet, I wish I could have known her as an adult. God Bless, Sheila Jackson Bible*

“ I will truly miss Lois, she was like a big sister to me, we had great times, and I will carry her memory with me forever. We worked together at Tri-State Lanes, and became great friends. I have grown close to her family and she was so very proud of each and every one of them, she loved all her family, and her friends as well.....She fought a long battle with cancer..But praise god that battle has been lifted from her, she is at peace, and will never hurt again. For that I am thankful. I will continue to pray for her family that has been left behind to miss and grieve her, Lord I ask that you keep them strong, and cradle them in your arms and comfort them during these trying days ahead.....
