“ Lori and I go back many years. We were in Brownies (what fun times that was), school, and worked together at Roper, sometimes side by side. She was always a trooper and fun to be around. I am sorry to hear of her passing. I pray God will comfort you, dull your pain in the difficult days, and fill your mind with happy memories.

“ I didn't know Lori, but I spent a lot of time with the Hobbs family when I was growing up. Ann and Sid were like a second set of parents to me, and Angie was like my sister. Joey was like another younger brother. The family is in my thoughts and prayers during this time.
