“ *Louis (Captain Lou) was special in so many ways. He took great pride in everything he did and was always willing to go the second mile. If something needed to be done, Captain Lou was the "go to guy". He was a gentleman and a joy to work with. I am blessed to have known him.*

My thoughts and prayers are with the family he was so proud of, and loved so very much.

“ I had the pleasure of working with The one & only, " Capt. "Lou-Lou"- "Louie" "Lou", at both Lakeview Middle and Battlefield Elementary Schools. In all the years I've worked with him, he very rarely wasn't happy and smiling...He was always telling us his funny stories, (and bless his heart, he had to listen to all of ours too, we always told him, " to just deal with it", cause he was just one of the girls, his face was Red on many occasions!) always kidding around and singing as he was going in and out the back with his trash cans, he could really sing! He helped me out, with my job, more times than I can count over the past 11 years. A real sweetheart. I loved how he would take time during lunch, to make a point of talking to and sometimes even sitting with the kids that weren't very "popular" and he knew they were struggling. No telling how many ice creams he bought over the years. He would do anything you asked him to do, and bless his heart, all of us women kept him very busy too. Capt was THE best son to his mother and a great dad...he so deserves those wings that he now wears in heaven. I'll sure miss you my friend. RIP

I loved working with Capt Lou. We shared the same birthday & are crazy as we often joked about ourselves. He made me laugh every day & there was a special place waiting on him in Heaven. He loved his family, I liked how he had their pictures on the door & how he'd sing to break the monotony. Prayers to his family. Tarzan yell Capt!
