“ *To Richard, Bea, Nancy & Family,
It is with deep sorrow that I was unable to be with you for the visitation and funeral on Saturday as I was out of town over the weekend. Louise was always an inspiration and a joy to be with over the 30 plus years that we worshiped together at Ascension Lutheran Church. I have missed her deeply during the last few years of her illness although we have exchanged cards and letters. She leaves a legacy of love, caring and affection. Bill Stitt.*

*I will never forget your Mom. I can remember her coming to the Foster's at Christmas when we would all be there and there were wall to wall people. And the singing and the laughing and the non stop eating - what great times and memories they still bring. She lived a nice long life and certainly enjoyed it all. She leaves her mark on many people. She will be well remembered. RIP Aunt Lou and God Bless

“ A gentle wind blew across the land
reaching out to take a hand
for on the winds the angels came
calling out a mother's name
Left behind, the children's tears
loving memories of the years
of joy and love, a life well spent
and now to God a mother's sent
On angels wings, a heavenly flight
the journey home, towards the light
to those who weep, a life is gone
But in God's love, 'tis but the dawn.
