“ I am still in shock from hearing about Louise's passing. My heart breaks for Benny & her family. I LOVED Louise!! I had had the privilege of working with her & spending time with her throughout the years. Years ago, we'd help out our friend, Polly Shahan, at Shirley's Flowers. We would have a blast!! She was so sweet, very down to earth & so extremely funny!!! We had so many good times with her & Benny. I know Heaven is rejoicing welcoming Louise home but it has broken so many hearts here on earth.
