I miss you maw maw. Back in April I tried to kill myself and I seen you, cause I had died three times. I came back cause you said that it wasn't my time to come back home. An so I'm back an all I have left is paw paw. But when you passed away my life had gone down hill like crazy. I did although gained my own place, and tried to help a friend of mine out an then one thing lead to another I lost my job and my place, cause I didn't know that she came with a big package at all. But anyways you are very very much missed. You where my mom which you know that already. But anyways I hope to see you again someday. I just want you to know that I love you so very very much. I feel like I didn't tell you enough when you where here on Earth. But I seen your new home and it is beautiful up there, you are not hurting anymore and you are not missing anything here on this Earth. I can promise you that for sure. With love Mom. LOVE YOUR GRANDSON Chris.
