“ You will truly be missed Mamaw. Thank you for all the wonderful memories you have given us, the light in your eyes when everyone was together, the constant worry you done over all of us making sure we were all okay and had everything we needed. Christmas time was always so magical, the tiny boxes wrapped over and over again. The excitement you had when you saw anyone open them. And your green Christmas sweater! You always watched over all of us and I know you will continue to do so. You truly showed us all the importance of family and I will be forever grateful for everything. I will miss you so much!

“ Aunt Lucille was a true Blessing to me and always told me that she was praying for me and my family and I knew that she meant what she said and those prayers will truly be missed. She was a true prayer warrior. She loved the Lord and it showed one of the very last things she spoke to me was “Please don’t let them throw my Bible away” as she reached her little hands out for it and I assured her that her Bible was very treasured and safe, she said this because her Lord and her Bible meant everything to her and it showed. Thank you for the many many Birthday cards in which she never forgot and always meant so much to me. Aunt Lucille I love you and I will miss you so much but I know that I will see you again!  
Love Teresa
