“ *Libby...mere words cannot express...you were with us so briefly and left us with so much. Your endless selflessness gave us hope in dark hours, your wit made us laugh, your natural beauty left us awestruck, your spirit gave us a passion for life and God, and your intellect inspired. I am so truly blessed to have known you and called you friend for 34 years.*

“ *I knew you only briefly in person almost 30 years ago, but I have never met someone I felt so connected to immediately. I am thankful that you started the Bitburg Hospital page that allowed so many people to reconnect. Your bright and shining Facebook presence will be missed by a great many people. The wonderful words you gave to me when you wrote about what I meant to you will be with me forever. I will miss your wonderful pictures, crazy posts, wild shoes, and everything else about you. Memories of you will be with us always and I hope bring comfort to all who knew you.*

“ Having known Libby since she was a tiny baby adopted into the family of my very best friends, the Dicksons, I was so pleased to get back in touch with her this past summer after such a long time. She was a wonderful person and so loved by those who knew her. Just wish there had been more time with her. My heart breaks for all her family. She is missed so very much.

“ I am very sorry to learn of Libby's death. I was fortunate to go to elementary and high school with her. I enjoyed several good conversations with her at recent reunions. Please know that I am praying for your family and remembering Libby.
