“ Jimmy, we were shocked and deeply saddened to hear about Lynette's passing. Though we had lost touch with you guys, it was a reassurance to know that she held her place in this world and continued to make a difference for Christ's Kingdom. Her sudden absence seems all wrong, though we trust and hope in God who rights all wrongs. Her home-going leaves a bitter-sweet void. Be assured of our prayers for you and your family now and in the days and weeks to come.

*With fond memories and Christ's amazing love,

*My dear friend Lynette came and spent the first week of my stem cell transplant with me in St. Louis, Jan 2005. She came that week because of the "BEAM" chemo that I received. She sat quietly reading and praying as the chemo took its toll on me. What a blessing and comfort she was! We had other precious times together as well. I will be forever grateful. She will not be forgotten. What a glorious day it will be when we all get to heaven! Praying for you all. Bonnie McAllister*
