My cousin Bizzie was like another big sister to me. We would argue and laugh; like all families do. Her boys, Bart and Buddy were the only little brothers I had.

Bizzie had to be the strongest woman I've ever known. Losing 3 children, (2 in one year) and 2 grandchildren, would almost be unbearable for most people. I think I would fold up. But not Bizzie, I believe her Faith in God is the only thing that got her through all the tough times in her life, and there were many! She endured and she Believed and now she's at Peace in the arms of God! Love You Cuz!

“ *Bizzie will be missed. Her dad, Irhdell, and my dad, Benjamin Hooper Holder, were brothers. I have good thoughts and memories of Bizzie. She and I were 2 cousins that could talk about our Holder relatives and enjoy that. It is sad to lose a good person, and that , she was. I'm right behind her! May we all be ready when our time comes..respect and prayers to her family. Judy Howard, first cousin.*

“ *Liz was like a second mother to me. When I would go to spend the night with Danny, she would love, take care of and when necessary give me the fly flap.*

I love her much and hope to see her in the resurrection with Bill, Evie and Danny.

May God grant her grace and peace until then.

“ Biz and I were 1st cousins. Out mothers, Mary Ellen Fridell Clevenger & Rachel were sisters. My mother, died, in 1977. So, Aunt Rachel was the family always could count on for news. Out of 12 children, my mother a twin, (which I never knew until my identical twins were born in '77) and oldest son in '73! Bizzie's kids Bart and Buddy were grown, married with children of their own, when Bizzy married again and started another family with Bill, having Evie and Danny. We always loved one another, but age difference was 11 years my senior. When, I started having my sons, they were closer in age to Evie and Danny and we spent more time together, with children playing and we really got to know each other. She was so beautiful always and SO much fun always .

I will miss my sister and friend. She died of complications from Covid. She was the oldest and my only remaining sibling Bart, you did a great job caring for her. Thank you for caring for her. She loved her family and the Lord and she will be missed. During her last year she missed attending Chattanooga Valley Church. May you rest in the arms of Jesus. I can imagine she is telling Jesus about Lads to Leaders.

A mother's love is alive forever. In the lessons she taught, the patience she gave, and in the hearts of the children she raised. Our prayers go out to you in this time of great sadness.
