“ *Mackie Jean...I know you probably more than once wanted to pull my hair out for spinning around in your beauty shop chairs when I'd come with mom for her weekly hair appointment. You were always so kind to me and I know that my mom loved you very much. We sure will miss you but we know that you are in a better place now and wouldn't ask you to come back for anything in this world. We are happy and grateful to know that because of what Jesus did on the cross for us that have accepted His free salvation that we will see you again one fine day. Until then may God comfort the family and friends... God bless!!*
