“ Uncle Manuel was always one to put a smile on everyone's face. He was the one to go out of his way to help anyone out, even if you were a stranger. He truly had a huge heart. There is no one else like my uncle. I will never forget all of the memories I got to share with him. I am lucky to have such a great uncle. He will truly be missed, but I know he is celebrating with the Lord.

“ I have been part of your life and your familys since I was a little girl. You always would put a smile on my face no matter Wht kind of mood I was in. When you lived here in Cartersville you would come see me everyday and even after you moved and started to get sick you would still come and see me when you came to town. God how I will miss you and miss hearing your voice and will miss being able to set and talk to to you about Wht ever I needed to talk to you about and I will miss being able to hug you and tell you I love you. You will forever be missed and never forgotten. I love you Ruben.

“ I will always remember the times when i was playing football and he would pick me up from practice in his SS Nova. Man, that thing was fast. His love for cars got me hooked. He really lived in the moment. What an adventure he had. I'm glad we made our peace and said our goodbyes.

“ Remembering Ruben from years back as the one that could make you laugh till you cried especially when he pretended to get hit in the nose by a closing door. He got me everytime. Even though I have not seen Ruben in years his laughter still crosses my mind. My heart breaks to hear of the loss of such a person. My prayers and blessings go out to Kim and his family. I just wish I would have made that trip to Crtersville all the times I planned. God bless the family and I'm sure he's crcking jokes and got the heavens rolling in laughter now. Rhonda
